A SPA DAY OF BOOTY

"Why do I get so horny when people touch my feet?" Breanne asks. "I don't know, but I get horny too," Lexi admits. Dirty talk leads to dirty action, as the girls strip naked and lock lips during an orgasmic 69. A day by the pool is like a day at the spa. Happy tip for a happy ending, ladies. That's how it works at our pool.

WHERE HAVE ALL THE GOOD MEN GONE?

THE CLUB IS MY HUNTING GROUND AND I'M THE BEST HUNTER IN THE ESTABLISHMENT.

I'm the type that knows what I want sexually and I am not afraid to go after it. All week I work my butt off but when it comes to the weekend, it's my release, emotionally, and sometimes physically. And when I go out, I'm not looking to pick someone up. I go out to socialize, drink, and to dance. Sometimes dancing provocatively gets me attention that I'm not really seeking. But I'll let myself go and see what happens. However, tonight I really felt like I needed a man. A good man. A really good man!

I was at the club's bar waiting to meet my friends. In the huge mirror behind the bar I could see the entire club, as well as myself. Here in Kansas City, it was late summer and the temperature was still relatively warm, so I dressed in a rather skimpy purple vest top, which was very tight fitting, a short, tight purple leather skirt and heels. My vest showed my bronze boobs off to perfection. I hadn't always had great boobs, but I really blossomed at sixteen, and while they weren't large, they were very pert, topped with ultra sensitive nipples. I was known among my friends for having bullet like nipples, and now was

no different. I was sans bra and my nipples were poked hard at the material. Sometimes, they were a pain in the ass, but on nights like tonight, they were a definitely a godsend.

Sitting there, I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most of it, so I ordered another glass of wine from the bartender. Fuck it I thought to myself. Let me see if I can get some action before my friends arrive. And when they do, they'll have to find their own, because I'm not in the mood to share.

I finished my drink, tipped the barkeep and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 25 with a nice shirt, jeans properly around his waist, and nice-looking shoes. That is very important. As I made my way towards him, we made eye contact and I smiled at him. As he approached me, we instinctively started to dance,

getting closer and closer.

When I dance with a guy, knowing that inside his pants he's getting gradually harder and harder because of my actions and my fleeting touches. After about fifteen minutes of dancing with him, kissing and touching him on the dance floor, I whispered into his ear. "I'm going to fuck you, now. In the rest room." Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom. The ladies rest rooms were generally not monitored. If there was to be trouble, it would come from the men's room. At first, he was a little worried about going in the ladies room, protesting that people would think he was a pervert, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free cubicle.

Locking the door behind us, I told him to sit down, and get his cock ready for a fucking. He did as I asked and pulled his jeans and boxers down around his ankles. I reached over and grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see while my other hand continued playing with his cock.

Then I decided to get at it. His smile told me he was enjoying himself.

I squatted in front of him, the leather squeaking against my dark skin. I licked my lips as he watched

and I totally engulfed his cock in one motion. It disappeared entirely in my mouth, my lips closed around it and I slowly backed off eyes looking up at him. I started to give him my patented blow job and I sensed he knew it. I licked and sucked all around his penis and dug my nails into his butt cheeks as I pulled his hips into me to swallow that cock of his.

I then pushed him down on the seat and straddled over him. First, I lifted my skirt and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock. By this time, I was dripping wet, and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked into his eyes.

I undid the remaining buttons on my vest and my boobs bounced out off their restraints. My nipples were hard, and I knew if he sucked them, it would

get me closer and closer to the edge. But rather than sucking my nipples, he just grabbed my tits and held them like he was riding a bike. It wasn't quite the same intensity, but it still felt good. After a few minutes of sliding slowly up and down the shaft of his

cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer myself, so I jammed my body down and changed from my previous gentle motion to a harder, grinding forward and backward motion, making sure my clit was pressing hard against his pelvis.

But I still wasn't ready, so I stood up and turned around to face the door and I bent over a bit to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my butt cheeks sending me deeper into pleasure.

I felt his tongue slide up and lick my butt hole, but I'm not ready for that with him, so I pulled myself forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down, too, and the final workout began.

I bounced up and down on his cock, shaking the toilet and stall. He struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my superhard nipples. This was now starting to really send me over the edge. And him too, apparently, as I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside with a muffled scream. Although the feeling of his hot cream spurting inside me felt fantastic, it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clitoris while he watched in a daze. Within a few seconds, I felt the wave of an orgasm start to spread throughout my body. A sense of self satisfaction followed.

I finally stood up and grabbed some toilet paper to plug me up and keep his splooge from messing me up. I realized I didn't actually know his name

but gave him a quick peck on the cheek, and following a quick clean-up, we opened the cubicle door and walked out of the toilet. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the toilet. Admittedly, we were so unaware of others being in the rest room, but they were all cool. We headed back into the club and settled again at the bar. He ordered up a couple drinks for us as I felt a small hand on my shoulder. It was my friends finally arriving – an hour too

late. But I didn't mind. I had spent the hour the way I wanted. I didn't bother to introduce them and we danced, drank and talked. After a while, I told them I had to use the rest room. I looked over at him and our eyes met. He knew instantly what I wanted. I left first and a few minutes later he followed. Round 2.

MAKE SWEET MUSIC

Okay, I can't really play the piano, but I can look good posing naked on one. I tried taking piano lessons a long time ago, but never really stuck with it. Today, I see a piano on occasion when we are at a location doing a photo shoot. And yes, I usually end up naked on top of it. Once in a while, I may even fuck on it. Now that's really fun!

I LIED, I DO KEEP SECRETS
800-587-5223
MUST BE 18 TO CALL

it was inevitable loving thy neighbor

Her boyfriend was
ignoring her, but
suddenly the girl
next door was taking
quite an interest

It was a perfect Saturday for washing my car. It was August, but instead of the 100+-degree weather we usually have in midsummer, it was in the mid-80s. Perfect.

My boyfriend, Tom, was engrossed as usual on his computer, playing a new game. He grudgingly took just enough time away from it to drag the hose around to the front of the house for me. I was wearing my tight white shorts and a tight red tank top, exposing the tanned tops of my full tits. I thought I could entice Tom away from his computer, but no. He offered no help in washing the car and was quickly back at his shoot-'em-up game, which was apparently more intriguing than I was.

As I soaped down the sedan, I heard the neighbor's garage door open. I thought nothing of it until I noticed no one was backing a car out. Adjusting my sunglasses, I glanced over and caught the neighbor gal ducking back inside. Was she watching me?

I caught her a few more times out of the corner of my eye, peeking and ducking back in. Hmmmm, I knew she was a lesbian, but why she was looking at me?

I have to say, she was arousing my pussy with her actions. I'd been with a couple of women in the last 10 years, so my reaction was no surprise, but I wondered

what her intentions were. I leaned over to scrub a tire, my ass in her direction, parting my legs a bit, hoping she'd get a good view of the damp spot starting to form between them. Mmmmmm, I was getting aroused.

Being the confrontational person that I am, I finally dropped my sponge in the bucket and headed over to her. "Hi there. What's up with you?" I asked in a none-too-friendly tone.

She smiled sexily and said, "Just enjoying the view. I didn't mean to offend...."

"Well, you didn't. I just wondered what was going on, that's all." I'd seen her many times but never this close up. She was butch, with decidedly "handsome" features.

"I've noticed you for quite a while, and I have to say I'm attracted to you. You do know I'm lesbian? I'm just feeling a bit bold today that's all. Playful."

"Sure I know you're lesbian...but...well, what happened to your...uh...roommate? The blonde?" I hadn't noticed her for several weeks.

"Moved out." She kept staring at my tits and down to the crotch of my tight shorts, where my pussy was outlined and the wet spot spreading. I was getting very aroused just being near her. She was a turn-on, especially with her muscular arms. She looked to be about my age, late thirties.

"I need to get back...." I said lamely, tossing my

long auburn hair back over my shoulder.

"Say, why don't you slip out about midnight tonight? I'll be out here looking at the stars with my new telescope. Maybe you can see a few stars yourself." She smiled knowingly, and I felt my pussy clench tightly.

To my surprise, I replied, "I might just do that. I gotta run." I walked back to the car, swinging my hips sexily and gave her a quick glance back. She waved and ran a hand through her short brown hair.

I finished up my car with a throbbing pussy. The tight seam of my shorts was nearly getting me off! By the time I got done with the car, I'd had several fantasies as to how tonight might end up.

After drying off the car, I drove it back into the garage. Tom was still playing the game and was unaware of my horniness. I went right to the shower to clean up, and as I stood under the water, I fingered myself, thinking of how I was going to get through the rest of the day.

By midnight, Tom had been snoring for about an hour. I slipped quietly out from under the covers and got into the sleeveless summer dress I had laid out. I wore nothing underneath. Closing the bedroom door gently, I made my way to the side door, slipping into my platform sandals along the way.

As I went out through the side gate toward the front of the house, I saw that my neighbor's garage door was open. I could see the red glow of a cigarette as she took a drag. "Hey," I said softly as I walked quietly up to her.

"So you made it, I see." She stubbed out the cigarette in a nearby ashtray. "Come here and see this." She stepped aside and let me look at the constellation above. I felt her warmth as she stood directly behind me, barely inches away.

I felt her gently press against my ass. My throat became tight, and it was hard to breathe. My pussy was starting to swell and juice up again, as it had been

doing off and on all day. She began to raise my long skirt with one hand; her other hand gently caressed my inner thigh. I tried not to let out a moan, but it escaped anyway. Parting my legs, I pushed out my ass to greet her exploring fingers.

"Mmmmmm, you came prepared. No panties," she whispered, and her hand slid over my creamy ass, pinching and squeezing my globes. I felt my pussy puff out even more as I started to rock my hips back and forth. Her fingers tripped lower until she grazed over my wet nether lips. I caught my breath as she dipped

her middle finger inside my clasp hole, then removed it, slick with my juice. She ran the finger gently up and down my widening cleft, now and then dipping back into the cauldron of heat and wetness.

I could barely stand. I needed to lie down and spread my thighs wide for her. I held onto the telescope for support, with my ass still poking out. Her fingers were going to get me off as she circled my aching clit, rubbing back and forth, then dipping back into my hole, which by now was gushing fluid uncontrollably.

"I'm going to come," I hissed through clenched teeth. "I don't want to. Not yet!"

"This won't be the last one for tonight. Let

it come," she replied.

"Ohhhh, yesssss," I moaned as I thrust my hips back and forth while she fingered me from behind. My pussy was slick, with liquid flowing freely. Suddenly the exquisite sensation slammed through me, taking my breath away. I gripped the scope so as not to fall down and bent my knees, rocking back and forth on her finger, eking out every ounce of pleasure.

I bit my wrist in order not to scream out as the orgasm shook me. "Oh, oh, yes, that was good...so good," I murmured.

"Now we have to go into the house. We aren't done yet, Missy."

Slowly I turned my head toward her in the dark. "Did I tell you my name? I didn't think I did—"

"You didn't. I know a lot about you, honey. I'm Janice, by the way. Come on." She gripped my arm, and we headed into the house, I on shaky legs. She poured us each a drink, and I followed her into her bedroom. I glanced over at the window that faced my bedroom and wondered how Tom was sleeping. If he only knew where I was! I started to giggle.

Janice started unbuttoning the front of my summer dress. In a few moments she had me naked before her, caressing my heaving tits and trailing her fingers down my flat belly to my bushy mound. She circled my clit, feeling the slickness from my recent climax.

"Oh, that feels nice," I whispered. "I think I could come again."

"You can. Lie down." Janice gently pushed me in the direction of her bed, and I lay down on my back.

"Since Wendy left, I've had my eye on you. Hope you don't mind."

"Funny, but I don't!" I smiled. "I've had a few other girls, although it's been quite a while. You don't upset me at all."

"Good." She lowered her lips to my left nipple and sucked hard. Half my tit seemed to disappear into her mouth. While she sucked like a vacuum, her fingers went exploring. I spread my thighs wide, pulling them back to expose myself fully.

Her fingers tickled over my swollen lips, back and forth, gently teasing until I squirmed in delicious agony. "Oooo, get me off again," I said lustily. Tom had never made me feel like this. How could I get Janice to become my lover?

She cupped my mound and rocked her hand back and forth, pressing hard, then softly. My clit was near to bursting! Then she scooted down, and I knew what was coming next. Janice lashed out her tongue and tasted my juices on my inner thighs. She licked me like a cat cleans her kitten. I thrust up my hips as she got closer and closer to my quivering pussy.

Then she pried my lower lips wide apart, making my clit stand up like a little Jujube. She poked her tongue out and lashed at it a couple of times, making me jump. She licked my pussy up one side and down the other, digging in every nook and cranny. Every nerve seemed exposed as she explored. I was lost in the sensations.

Inserting one finger into my hot hole, she massaged until the juices once again flowed like water. I'd never been made love to, paid attention to, so completely. Then Janice reached over to the nightstand and opened the drawer, pulling out a flesh-colored vibrator about seven inches long. I writhed on the bed,

spreading my thighs farther in anticipation.

I wanted her to ram it home, but instead she ran the plastic flesh up and down my dripping slit, poking the head of it in and out, only about an inch or so, right at the entrance. She repeated this delightful action over and over until I was almost wild. Then she switched on the little red button, causing it to vibrate noisily.

“Fuck me,” I said harshly.

“In a minute. Don’t be in such a hurry. I’m not a man, you know,” she laughed lightly. “I like to make you beg for it.”

While she continued to fuck me tenderly with the mercilessly quivering machine, she started sucking on my clit-bud again. Oh, this was too much! I tried to stifle my screams but couldn’t! I thought of Tom asleep next door and hoped he couldn’t hear me! “Yes! Yes! Oh, oh!” I rode the vibrator trying to match her strokes as she plunged it deeper and deeper into my hot depths, twisting it as she thrust, massaging my G-spot.

I suddenly came, shuddering from head to toe. Agonizing, intense gratification coursed through me, leaving me trembling and weak. My thighs stayed wide open, and I jerked my hips in lusty spasms, still taking in that plastic dick. My clit was so aroused and erect it was generating enough high voltage to light up Janice’s whole house.

Janice was smiling, wiping light sweat from her brow. She still held the vibrator in place inside me, not wanting to remove it just yet. I propped myself up on my elbows, and we both watched as I pushed the vibrator out of my clenched pussy. It slid out with a juicy plop. We both grinned.

I flopped back and let out a sigh of satisfaction I hadn’t felt in months. Janice lay down beside me and caressed my tits, tweaking gently on the hard brown nipples. “I need to please you now or it’s not fair,” I

said, looking into her brown eyes. “I feel completely fucked!”

“Good! Come on.” She got up and pulled me along with her. My legs were trembling and wonderfully feeble, but I made it to the bathroom. We got into the bathtub, and she sat behind me, with her thighs around me. Soaping up a bath sponge, she started washing my back as I held up my hair. Mmmmm, that felt wonderful.

She squeezed the sponge, releasing hot, soapy water down my back. Ahhhhhh, I loved it. I reached back and tried to caress her pussy. She slapped at my hand. “Uh-uh. Behave,” she teased me.

She washed me all over; then we got out and dried each other off. As I dried her body, I lingered on her

pussy-lips, which looked swollen. Her clit was poking out. I dabbed at it a few times, then thought, I’d better get it while it’s there. I dropped to my knees and flicked the little bud with my tongue.

She didn’t stop me this time. She moaned as I really started to get into it. I gripped her ass and pulled her forward into my mouth as I worked on her clit. In a few minutes, she started to shudder. Short, deep moans escaped her. Then she gently pushed my head away. “That was great.”

I tiptoed back into my house and made it back to bed. Slipping in under the covers, I lay there reeking of great sex and bubble bath. Tom snorted a couple of times and resettled into his pillow. One more snort,

then he was still. I lay there, reliving my incredible experience with Janice. My pussy was so relaxed and satisfied. Sticky too. I nearly giggled as I felt my loose lower lips. How could I be sticky again!!!! I’d just had a bath!

What was I going to do? See her again? How could I not! “Love thy neighbor” had never applied to me before, but I could see it did now! I made my decision and rolled over to fall instantly into a deep sleep.

HERE'S LOOKING AT YOU

"I'm always asked why I don't have any tattoos since I have so many piercings/" Guess people think they go hand in hand. That is you have one, you must have the other. Not me. I know later in life the tats will be there and either need upkeep or look weird when you're wrinkled. With my piercings, I can take out the rings and studs, and the skin will heal.
